### **Education**

2015 – Present University of Washington, Seattle Seattle, WA  
*Clinical Psychology Doctoral Program*  
*Quantitative Psychology Minor*  
Graduate Advisor: Kevin M. King, Ph.D.

2009 – 2012 Wayne State University Detroit, MI  
Magna Cum Laude  
*B.S. Psychology Honors*  
*Minor: Asian Studies*  
*Honors thesis: Qualitative analysis of undergraduate*  
*homeless students at a large urban university.*

### **Grant Funding**

2/1/2019 – 1/31/2022 F31MH11787: Employing Ecological Momentary Assessment to Study Emotion Regulation, Coping, and Impulsivity among Youth at High-Risk for Suicide. *Funded by the National Institute of Mental Health*

Jan. 2011 *Undergraduate Creative Projects and Research Award:* Project Title: The Prevalence and Needs of Homeless Undergraduates at a Large Urban University. Advisor: Paul A. Toro, PhD. Awarded \$3,050 for research supporting honors thesis

### **Journal Publications**

#### *Published*

Adrian, M, Jenness, J.L., **Kuehn, K.S.\***, Smith, M.R., & McLaughlin, K.A. (*Accepted for publication*). Specifying the Role of Emotion Regulation Processes in Linking Peer Victimization to Anxiety and Depression Symptoms, *Development & Psychopathology*

Coyle, T.N., Brill, C.D<sup>^</sup>., Aunon, F.A<sup>^</sup>., Peterson, A.P<sup>^</sup>., Gasser, M. L<sup>^</sup>., **Kuehn, K.S.<sup>^</sup>\***, & Harned, M.S. (2019) Beginning to envision a life worth living: An introduction to pre-treatment in Dialectical Behavior Therapy. *Psychotherapy*, 56(1), 21-27.

**Kuehn, K.S.\***, Velloza, J., Wagner, A. (2018). Estimating the influence of bullying on suicidal behaviors among US adolescents, 2015. *Crisis: The International Journal of Crisis Management & Suicide Prevention*.

Carlson, C.A., Toro, P., & **Kuehn, K.S.\*** (2017). Physical health, mental health, sexual behavior, and other characteristics of homeless and precariously housed undergraduates. *College Student Journal*.

Yen, S., **Kuehn, K.\*** Melvin, C., Weinstock, L.A., Andover, M.S., Selby, E.A., Solomon, J., Spirito, A. (2015). Predicting persistence of non-suicidal self-injurious behavior in an adolescent inpatient sample. *Suicide and Life Threatening Behavior*, 46(1), 13-22.

Yen, S., **Kuehn, K.\***, Tezanos, K., Weinstock, L.A., Solomon, J., Spirito, A. (2015). Perceived family and peer invalidation as predictors of adolescent suicidal behaviors and self-mutilation. *Journal of Child and Adolescent Psychopharmacology*, 25, 124 – 130

^ Denotes equal contributions; Author order determined randomly.

#### *Under Review or In Prep*

Sefidgar, Y.S., Seo, W., **Kuehn, K.S.\***, Althoff, T., Browning, A., Riskin, E., Nurius, P.S., Dey, A.K., & Mankoff, J. (*Under Review*). Passively sensed behavioral correlates of discrimination events in college students. *Paper submitted to the 2019 Computer Science Co-operative Work (CSCW) conference*.

**Kuehn, K.S.\***, et al. (*In prep*). Interrupting the suicidal behavior cycle: Stopping repeated suicide attempts among individuals with borderline personal disorder and a history of attempting suicide. (*Target journal = Journal of Clinical and Consulting Psychology*).

**Kuehn, K.S.\***, et al. (*In prep*). Predicting time-lagged suicide attempts among youth at high-risk for suicide receiving dialectical behavior therapy.

#### **Books Chapters**

King, K.M., Feil, M.C., Seldin, K., Smith, M., & Halvorson, M.A. & **Kuehn, K.S.\*** (*in press*). Assessment of impulsive and risky behaviors during adolescence and young adulthood. In *Prinstein & Youngstrom (Eds.), Assessment of Childhood Disorders*. Guilford: New York, NY.

#### **Conference Presentations**

**Kuehn, K.S.**, (April, 2019). Interrupting the suicidal behavior cycle: Stopping repeated suicide attempts among high-risk people with a history of attempting suicide. Paper presented at the *52<sup>nd</sup> American Association of Suicidology Annual Conference*, Denver, CO.

**Kuehn, K.\*** Lesperance, T., Reid, H., Toro, P.A. (September, 2011). Longitudinal outcomes among those who aged-out of foster care. Presented at the *8<sup>th</sup> European Congress of Community Psychology*, York, UK.

Lesperance, T., Reid, H., **Kuehn, K.\***, & Toro, P.A. (June, 2011). Predictors of outcomes among youth who aged out of foster care. Presented at the *2011 Biennial Conference, Society for Community Research and Action*, Chicago, IL.

#### **Poster Presentations**

**Kuehn, K.S.\***, Wagner A., Velloza J. (November, 2017). Estimating the influence of bullying on suicidal behaviors among school-aged youth in the United States, 2015. Presented at the *51<sup>st</sup> Annual Association for Behavioral and Cognitive Therapies (ABCT)*, San Diego, CA.

**Kuehn, K.\*** Coyle, T., Linehan, M.M. (October, 2016). Examining the differences in self-injurious behaviors among LGB identified subjects diagnosed with borderline personality disorder. Presented at the *International Society for the Improvement and Teaching of DBT*, New York, NY.

**Kuehn, K.\*** Tezanos, K., Weinstock, L., Spirito, A., Yen, S. (November, 2014). Peer and Family Invalidation as Prospective Predictors of Adolescent Suicidality. Presented at the *48<sup>th</sup> Annual Association of Behavioral and Cognitive Therapies Conference*, Philadelphia, PA.

Baker, L., Welker, K., Alawie, D., **Kuehn, K.**,\* Valentino, D., Slatcher, R., Aron. A. (Jan., 2012). Big Five Predictors of Reported Closeness to Outgroup Following Intergroup Contact. Presented at the *Society for Personality and Social Psychology Conference*, San Diego, CA.

### **Honors and Awards**

- June 2019 Penn State Methodology Center Summer Institute Scholarship  
*Awarded registration, lodging, and travel reimbursement to attend the 2019 Summer Institute on Modeling Intensive Longitudinal Data*
- Feb. 2019 UW Bolles Funding  
*Awarded \$1,250 to support dissertation research*
- Jan. 2019 UW Graduate Student Travel Award  
*Awarded to support travel to the 2019 AAS conference*
- Nov. 2017 UW Graduate Student Fund for Excellence and Innovation  
*Awarded to support travel to the 2017 ABCT conference.*
- Oct. 2016 Wagner Memorial Endowment Fund Recipient  
*Awarded to support travel to the 2016 ISITDBT conference*
- April 2012 *Phi Beta Kappa-Michigan Gamma Chapter*
- June 2011 *David Adamany-WSU Alumni Association Scholarship: Awarded \$7,400 for exemplary leadership demonstrated at WSU*
- College of Liberal Arts and Sciences Scholarship and Award: Awarded \$5,000 for scholastic achievement in Liberal Arts & Sciences*
- April 2011 *Psychology Distinguished Achievement Scholarship: Awarded \$2,000 from the Department of Psychology for outstanding commitment to the discipline, service to the community, and academic achievement*
- April 2010 *Emerging Leader Award: Recognized by the WSU Dean of Students Office as a student with strong leadership potential*
- 2009 – 2012 Dean's List

### **Student Supervision**

#### *Honors Students*

Jiwon Jung (now employed at the UCLA Semel Institute for Neuroscience and Human Behavior)

Thesis Title: *The relation between interpersonal sensitivity, emotion dysregulation, and suicidality among women diagnosed with borderline personality disorder receiving dialectical behavior therapy.*

### **Employment**

- Jan 2019 – UW Student Experience Project **Jennifer Mankoff, PhD**  
 June 2019 *Research Assistant*  
*University of Washington Paul G. Allen School for Computer Science*
- Managed an EMA study of 250 first and second year students
  - Data collection incorporated AWARE software and Fitbits for passive forms of data collection
- June 2018 – 5R34MH106598-03 (NIMH): Effectiveness of **Melanie Harned, PhD**  
 Sept. 2018 PTSD treatment for suicidal and multi-diagnostic clients  
*Data Manager*
- Developed SPSS syntax to clean and check data for logical consistency.
  - Coordinated with research staff to troubleshoot missing and nonsensical data  
*20 hours weekly*
- October 2017 – Behavioral Research & Therapy Clinics (BRTC) **Melanie Harned, PhD**  
 June 2018 *Teaching Assistant*
- Conducted phone screens for potential client interested in receiving dialectical behavior therapy services
  - Matched clients with student therapists
  - Met with student therapists for case consultation and assistant them in learning DBT and enforcing clinic policies.  
*20 hours weekly*
- March 2017 – Behavioral Tech Research, LLC **Marsha Linehan, PhD**  
 October 2017 *Project Manager*
- Developed content for DBT Skills Training course for mental health care providers and patients
  - Oversaw staff
  - Assisted with production and editing of content
- October 2016 – Behavioral Research & Therapy Clinics (BRTC) **Marsha Linehan, PhD**  
 September 2017 *Research Assistant*  
**University of Washington**
- Assisted with grant proposal to the NIMH and NIAAA
  - Cleaned adherence and outcome data for a project evaluating the efficacy of DBT for suicidal adolescents.
  - Oversaw the development of digital methods to collect clinical research data.

- 
- June 2012 – August 2015      Course and Outcome of Bipolar Youth (COBY)      **Shirley Yen, PhD**  
*Research Assistant*  
**Brown University**  
 Department of Psychiatry and Human Behavior
- Worked full-time on an NIMH funded naturalistic, longitudinal, prospective study of adolescent-onset bipolar disorder.
  - Gained expertise administering a semi-structured diagnostic interview (ALIFE) to track DSM-IV symptoms.
  - Presented clinical presentations at case conferences with research staff, and wrote detailed clinical narratives.

### **Undergraduate Research Experience**

- April 2011 – May 2012      The Prevalence and the Needs of Homeless Undergraduates at a Large Urban University  
*Project Manager*  
**Wayne State University**
- Wrote and submitted grant and Internal Review Board proposals for study assessing homelessness among college students
  - Managed data collection, performed statistical analyses, and aided in study design
  - 20 hours weekly
- Oct. 2010 – April 2011      Research Group on Homelessness and Poverty      **Paul Toro, PhD**  
*Research Assistant*
- Research team interests included psychological effects of aging out of the state foster care system and predictors on future outcomes including homelessness among both adults and adolescents
  - Recruited subjects and followed a standardized interview to demographic and psychological characteristics of former foster care children in a longitudinal study
  - 20 hours weekly
- Sept. 2010 – April 2012      Youth Depression and Suicide Prevention Program      **Cheryl King, PhD**  
*Research Assistant*  
**University of Michigan Health System**
- Worked on literature reviews and PowerPoint presentations for research team interested in mental illness stigma and suicide intervention
  - Collaborated training materials for peer and community mentors involved in a suicide prevention program
  - Data entry
  - 6 hours weekly
- Sept. 2010 – Aug. 2011      Developmental Neuropsychology Lab      **Sarah Raz, PhD**  
*Research Assistant*  
**Wayne State University**
-

- Research interests included premature birth and its effects on the cognitive, behavioral, and neurological outcomes of infants
- Recruited subjects who were born prematurely and also administered the WAIS to adults as a verbal baseline
- Looked at their development and the effects of medical treatments using various psychological and neuropsychological assessments
- 5 hours weekly

Jan. 2010 –  
Sept. 2010

Close Relationships Laboratory  
*Research Assistant*

**Richard Slatcher, PhD**

**Wayne State University**

- Researched interests include friendship processes and their role on implicit and explicit attitudes toward minority groups
- Assisted with data collection for a study that used the fast friends paradigm, which experimentally created closeness between cross-group and in-group members (blacks and whites)
- Lab investigated racial attitudes as a function of these positive experiences and assessed whether or not they differed due to presence of a significant other
- 10 hours weekly

### Clinical Trainings/Workshops

- March 2018 Intensive Training in the Dialectical Behavior Therapy Prolonged Exposure Protocol for PTSD (*4 days*)  
Trainers: Melanie Harned, Ph.D., and Lorie Ritschel, Ph.D.  
Behavioral Care Center of New Jersey, Morristown, NJ
- Sept. 2017 Getting to Adherence in DBT: Essential Strategies, Practical Tips, and Common Pitfalls (*3 days*)  
Trainers: Melanie Harned, Ph.D., and Kathryn Korslund, Ph.D.  
University of Washington, Seattle, WA
- March 2017 Advanced training in the DBT PE PTSD protocol (*3 days*)  
Trainers: Melanie Harned, Ph.D., and Kathryn Korslund, Ph.D.  
University of Washington, Seattle, WA
- Aug 2016 Suicide Intervention Workshop (*3 days*)  
Trainer: Marsha M. Linehan, Ph.D.  
University of Washington, Seattle, WA
- July 2016 Mindfulness Meditation Retreat for Mental Health Counselors (*5 days*)  
Leader: Marsha M. Linehan, Ph.D.  
University of Washington, Pack Forest Center, Eatonville, WA
- Aug 2015 Dialectical Behavior Therapy® Intensive Training (*5 days*)  
Behavioral Tech, LLC  
Trainers: Adam Payne, Ph.D. & Nicholas Salsman, Ph.D.

Silver Hill Hospital, New Canaan, CT

### **Research Methodology Training**

June 2019 Penn State University Methodology Center Summer Institute (2 days)  
 Instructor: Donald Hedebaker, Ph.D.  
*Variability in Intensive Longitudinal Data: Mixed-Effects Location Scale Modeling*

### **Teaching Experience**

Sept. 2018 – *PSYCH 209: Fundamentals in Research Methods* **Teaching Assistant**

Dec. 2018 University of Washington, Department of Psychology

Spring 2016 – *PSYCH 499: Directed Study* **Instructor**

Fall 2016 University of Washington, Department of Psychology

Nov. 2015 *PSYCH 499: Directed Study* **Guest Lecturer**

University of Washington, Department of Psychology

Sept 2015 – *PSYCH 101: Introduction to Psychology* **Teaching Assistant**

Dec. 2015 University of Washington, Department of Psychology

Aug. 2011 – *PSY 3090: Cognitive Psychology Experimental Lab,* **Peer Mentor**

May 2012 Wayne State University, Department of Psychology

### **Clinical Experience**

Sept. 2018 *Calibrated as a DBT adherence coder for both individual and group sessions.*

Aug. 2017 – *Co-leader of DBT skills group*

Jan. 2018 Cadence Child & Adolescent Therapy, Kirkland, WA

Nov. 2016 – *Student Therapist*

Present Psychological Services and Training Clinic

University of Washington, Seattle, WA

June 2016 – *Student Therapist*

Oct. 2018 Treatment Development Clinic (TDC)

Behavioral Research & Therapy Clinics (BRTC)

*Co-lead & lead Adolescent DBT skills group*

University of Washington, Seattle, WA

April – Dec. *Telephone Crisis Counselor*

2010 Common Ground, Bloomfield Hills, MI.

- Used a crisis intervention model to counsel a wide range of callers
- Underwent 96 hours of crisis intervention training including A.S.I.S.T. suicide intervention training
- 4 hours weekly

**Professional and Honor Societies**

American Association of Suicidology (student member)  
American Psychological Association (student affiliate)  
Association for Psychological Science (student member)  
Association of Behavioral and Cognitive Therapies (student member)  
Phi Beta Kappa  
Psi Chi, National Honor Society in Psychology

**Campus Activities and Leadership**

October 2013 Fundraiser for National Alliance on Mental Illness  
▪ Participated in the 2013 Detroit Marathon to raise funds for the National Alliance on Mental Illness  
March 2010 Alternative Spring Break, Detroit.  
Fall 2009 Member of Alpha Phi Omega, national co-ed community service fraternity

**Statistical Skills:**

Fluent in R

Extensive quantitative coursework including: Hierarchical Modeling, Analysis of Categorical and Count Data, Causal Modeling, Structural Equation Modeling, and Bayesian Statistics.
